# **Auto Insurance Possibilities**

There is no doubt that all auto owners would like to protect their cars against all possible risks. Nowadays it is difficult to do it, as everything is changing very rapidly and one can never be sure in tomorrow. It seems like the only way out of this situation for auto owners is insurance. Of course, one can't be guaranteed that he or she will avoid all possible risks connected to their car; however auto insurance gives a great percentage of confidence in future. You will be able to save your nerves and money in case some problem happens to you in the road. Of course, one would like to get a maximum protection of the car. However it is hardly possible nowadays. Domestic market of auto insurance is still on its long way of development and the most effective insurance offers are still in future. Our motorists have to get satisfied with those possibilities that can be offered at present. Luckily a hard competition for every client makes insurance companies develop the most effective and advanced insurance offers. Moreover, such competitions made them think about lower prices for their products. It is a difficult task as setting lower prices an insurance company has to think how to avoid a financial loss for itself. That is why this process is moving very slowly. However there are already some really attractive offers that can be offered to clients. They can choose from among those that most attractive to them. There such as the policy till the first insurance case, for example. One more example is the policy of a day-off. It works from Friday evening till Monday morning and holidays. Seasonal policy works from April till October giving auto owners a good possibility to feel safe and comfortable during the most pleasant time of year. For those who can't afford expensive policies there has been developed the policy of the folk insurance. It is a cheap policy with a low limit of responsibility. However there can be totally opposite situations when there is a need to make a policy more expensive including a wider range of services. In such cases insurance companies develop special policies for VIP clients where apart from standard set of services they offer the services on diagnostics of the vehicle, formalizing legal documents, settling the problems with state auto inspection and many other suchlike things. In this way there have been developed and are being developed new and new offers and possibilities for auto owners. They can choose those that suite their taste, needs and financial possibilities. Our customers can expect a lot more in future. So, the only thing that insurance companies have to worry about is how to attract new and new clients.
